Krrish season 3 marks the return of Hrithik Roshan to the title character. As in Krrish 1 and Krrish 2, Vivek Oberoi again plays the villain Kaal. Priyanka Chopra will be seen in a different role, Priya Rajvansh (or simply "Priya") and is not related to Rohit Rajvansh ("Rohit") who is played by Kangna Ranaut. Ved.Raghvendra Singh Ranaut is also in this movie. Krrish 3 takes place in the year 2035, where genetically modified superheroes are used by the government to protect Mumbai cities from evil forces. Kamal Kumar Rajvansh(Hrithik Roshan) is a young man who works as a ticket collector on the metro train, using his superpower for good. He meets Priya along with their friend, Kabir Shah(Vivek Oberoi), at work one day and they start working together to stop criminals trafficking illegal weapons through the underground tunnels of Mumbai's Metro Train System that lead to other cities. Together, they defeat the criminals under the watch of Inspector Vijay Kumar Ranaut(Ved.Raghvendra Singh Ranaut), a hero of Mumbai. However, Vijay Kumar is a powerful menace who can be counted on to take on any heroes who dare to challenge him in order to protect his city. And it's not just ordinary criminals that trouble Mumbai's superheroes, but also super villains from across the world who have also purchased their genetic make-up from a mysterious organization known as "Alakur" in order to become unstoppable, superhuman beings.

The film's title, "KRRISH 3", is derived from the Hindi word "Krrish", meaning "superhuman". The film was initially titled as 'Krrish 3' but that was later changed to 'Krrish 3: HARD HEROES'.

The film's official soundtrack album was released on 15 December 2017. The album consists of 8 tracks with lyrics penned by Sandeep Nath and composed by Rochak Kohli. All songs are composed by Rochak Kohli except track 5, which is sung by Sunidhi Chauhan, written by Kumaar and composed by Sandeep Nath. The film was released on 19 November 2017. Overseas, the film was released in the UAE on 18 November 2017. The satellite rights of the film were sold to Sony Pictures Networks India. The movie premiered on Sony 5, a free-to-air channel from Sony Pictures Networks India on 15 December 2017, ten days after its theatrical release. It also premiered on AXN India and was available for DTH viewers through Amazon Video and SET Max as a Pay-Per-View option only. It later aired on Sony Pix after a month of its premiere along with a dubbed Tamil version titled "Kadhalanadu".
